Sir:

I, Diane George, declare as follows:

1. I am secretary to William M. Hanlon, Jr., attorney of record in the above-identified application.
2. During the preparation of the application for filing in the United States Patent and Trademark Office, I prepared two sets of copies of the drawings from the original set of drawings. I placed the original set of drawings in Applicant's application file in the portion of the file reserved for original drawings.
3. I counted the sheets of drawing and confirmed that there were 23 sheets in the original set and in each of the copied sets.
4. I placed another one of the copied set of drawings in Applicant's application file stapled to the copy of the application filed in the United States Patent and Trademark Office.
5. The other set of copied drawings was attached to the application submitted to the United States Patent and Trademark Office.
6. To the best of my knowledge and belief, the set of drawings submitted with the application to the United States Patent and Trademark Office containing all of Figures 1-40 in the 23 total sheets of drawing, included Figures 28, 29, 30, and 32.
